 Florida Power Project

LOCATION
 Florida, USA

PRODUCT
 RED BOX®

CONTRACTOR
 Youngquist Brothers

END USER
 Florida Power & Light Company

CONSULTANTS
 Black & Veatch

DESIGN PRESSURE
 75 barg

DIAMETER RANGE (MM)
 600

APPLICATION
 Well Casing for Water Production Well

MARKET SEGMENT
 Oil & Gas

COMPLETION DATE
 2007

DESCRIPTION

This was the world's first 600mm Red Box® Pipe System. FPI manufactured and installed 330 meter of 600mm casing pipe with proprietary threaded joints rated at 70 bars (1000psi).

THE FPI ADVANTAGE

- Superior corrosion resistance
- Long life with no maintenance
- Water-tight threaded joints
- High collapse pressure
